

“Beyond School” Curriculum Development Plan to Increase Breadth, Depth and Choice for all students

<p>Year 1 – Introducing our curriculum offer Introduced Vocational Offer and allowed KS4 students to choose their “Beyond School” curriculum path. Pathways are built on student next steps to allow them to focus on the skills, knowledge and understanding they need to achieve their goals. All pathways include “Essential Education” of GCSE Maths and English.</p>	<p>Year 2 – Enhancing our curriculum offer Introduce further GCSE and Vocational options. Upgrade level of accreditation in existing courses. Develop fabric of building to allow for curriculum expansion. Expand use off offsite specialist provision</p>	<p>Year 3 – Expanding our Curriculum Offer Merging site curriculums to allow learners to access specialist facilities and courses on each of the sites. All students can choose from any subject on offer in any part of the school. Staffing and rooms will be in place to enable the delivery of a broad, deep and relevant curriculum for all learners.</p>
